OUTCOME

NCCHC	Check completed; report issued 9 Sep 2026
-------	---

This is a redacted summary of a six-page background-check report. Personal identifiers (additional given names, date of birth, address, email, document numbers and case references) have been removed to protect identity data. The full unredacted report is held on file and can be shown to accredited journalists or electoral officials on request. Report results reflect information received from official sources at the date of the check.
